Quality, Service and Price should be demanded by each purchaser of any article. The Standard Stores guarantee their Quality, Price and Service.

The Standard Stores offer a Great Service and Convenience to the people of El Paso and the Southwest by having a complete stock of Strictly Fresh High Grade Groceries, Fresh and Smoked Meats, Dressed Poultry, Fresh Fruits and Vegetables in each of our stores.

OUR QUALITY IS THE BEST—We have been buying for this market for fifteen years and we fully understand that you require the "Freshest and Best" goods obtainable.

OUR SERVICE IS SATISFACTORY—You will find courteous and obliging managers, salesmen and delivery men in each of our stores—We deliver free of charge orders that amount to \$1.00 or over to any point in the city or suburbs. We make prompt and careful shipment of every mail order.

OUR PRICES ARE THE LOWEST—They are based upon the fact that we buy our goods in carload lots at first cost direct from the packers and manufacturers, cutting out the middleman's profit (the jobber), which enables us to sell direct to you at prices much lower than the other stores and so-called stores have to charge you. The other stores buy their goods from the jobbers (the middlemen), who buy from the packers and manufacturers the same as we do. The jobber necessarily makes a profit on his goods, so you can easily see that the merchants who buy their goods from the jobbers (the middlemen) naturally have to pay from 7 to 15 percent more than we pay for our supplies. This saving we pass on to you. Therefore you can readily understand why the middlemen and the retailers have no love for the Standard Store system and standardized store, system.

However "We Should Worry"—The people of the Southwest have investigated and "know the reason" why we "undersell all others" and "that is the reason" we have thousands of satisfied customers and gaining new ones daily.

We have no secrets about our business. During normal times we figure on a net profit of four percent on sales—During war times, Uncle Sam does the figuring and we assure you that it figures considerably under five percent. We are glad to be able to help fill Uncle Sam's treasury with the sinews of war.

If you think we are fair and above board, we will appreciate your trade—If you think otherwise, tell us—We appreciate constructive and instructive criticism.

WE THANK YOU.
